# heart stopper challenge

## Take the Plunge for Heart Children NZ

HeartChildren
New Zealand Inc.

## Rotorua Aquatic Centre, Tawera Road 30 May 2010 - 12noon

**I .....have agreed to Take the Plunge and will sit in an icy pool for 5 whole minutes to raise money for the 12 Kiwi kids born every week with a heart defect.**

**Did you know that often before a child undergoes Open Heart Surgery their chest cavity is filled with an icy slush?**

**Please sponsor me and together we can help make a difference for kiwi kids living with a heart condition**
